

Elon Musk

Investor

Known for the applications such as Paypal and Tesla Inc, I have been an investor and business magnate in America for the past twenty years. I have always worked with the aim to win and this had made me achieve so many things along the way. When you work to achieve victory, success comes easily. I have been devoted to my work and have worked from a basic position. If anybody believes in reaching the top, they can consider me a living example of it!
